Or dial: (US) +1 219-304-6687 PIN: 882 815 994#**

UPDATES

Co-Vid19 Testing / Masks

Testing is done once a week. Next testing dates will be 12/17 and 12/22. Consent forms were mailed home a few weeks ago. If you'd like your child tested, please return the form with your signed consent. Forms must be on file at least 2 days prior to testing. As of last week, teachers will also be included in testing. So far there have been no classroom closures, only student quarantines. NYC public schools WILL NOT be going remote due to the CoVid19 Omnicron strain.

Masks must be worn at all times within the school. Students have gotten a bit relaxed when in hallways and on staircases. Truman staff have masks available if needed.

2nd MP Report Cards

Second marking period report cards are available for view on PupilPath. Printed copies may be distributed during 3rd period next week.

Virtual Tutoring/In-person Tutoring

In-person after-school tutoring will resume in January 2022. Date to be determine.

Virtual tutoring is offered through Practice Makes Perfect. If your child has signed up and has not been contacted, please be patient. Many students has signed up and tutors are trying to schedule sessions as quickly as possible. After-school Clubs and PSAL (public schools athletic league) are still ongoing.
