March 13, 2020

Dear Parents / Guardians:

Based on current recommendations from the New York City Department of Health and Mental Hygiene, the Department of Education has decided to change the format of the parent teacher conferences scheduled for Thursday evening, March 19, 2020 and Friday afternoon March 20, 2020. **Parents will not be attending in person.** Parent Teacher Conferences will occur by phone or via email.

If you wish to have your child's teachers contact you, please email them or contact them through Pupil Path your request of whether you prefer a phone call or communicate via email. Teachers will be thoughtful in deciding how to prioritize contacting families and in many cases will work in teams. In addition, teachers will use the family engagement time on Tuesdays to continue to contact families.

I apologize for any inconvenience this may have caused. Thank you for your continued support in these trying times.

Sincerely,

Keri Alfano  
Principal
