Dear Parents, Guardians, and Students,

As you may or may not be aware, our school experienced a serious incident this afternoon when, at dismissal, there was an altercation involving at least two of our students. The safety of our students is the top concern of every educator, and we are taking this incident very seriously.

We are working with local authorities, Office of School Safety, the Superintendent's Office, and the NYPD to provide an appropriate response and increase security in the area. We are fully cooperating with the NYPD investigation.

Our safety plan is also designed to provide assistance to students and their families when necessary. As such, guidance counselors and support staff are available to assist students as needed.

We look forward to your continued partnership as we work together to ensure our campus provides the best and safest learning environment possible for our students.

Thank you for your constant support. I will continue to update you through Pupil Path, our Websites, mail and voice messages.

Sincerely,

*Keri L. Alfano*
